

## SOME OF ANTHONY CARR'S 101 PREDICTIONS FOR 2018 – AND BEYOND!

*(Palm print of Lady Iris Mountbatten taken during reading with Anthony Carr.)*

**PRINCE ANDREW's** sudden rise to the world stage helps organize the British Royal Family. "Randy Andy" was his affectionate soubriquet when he attended Lakeview College in Peterborough, Ontario, just outside Toronto. He and his "wild bunch" once walked into the bar where I was playing with my band, *The Boyd Gang*, and a good time was had by all! That Regal Royal Rascal *could be* the next de facto British Monarch, if not the de jure one.

**\*Editor's note:**

Anthony's complete appellation is "Sir Anthony Lonsdale-Carr" by virtue of the de facto courtesy title bestowed upon him — *personally* — by Her Most Serene Highness, the late, Lady Iris Mountbatten. Born at Kensington Palace, she was the great-granddaughter of Queen Victoria; 1st and 2nd Cousin, respectively, to King George VI of England and Great Britain and His Daughter, Queen Elizabeth II; and of course to the late, Lord Louis Mountbatten, WWII Supreme Allied Commander of South East Asia and the last Viceroy of India.... For obvious reasons Anthony rarely uses the title....

I have sent three pairs of baby booties to Royal Lovers, **PRINCE HARRY** and **MEGHAN MARKLE**, congratulating them in advance: twin boys, then a girl; or vice-versa, since I am, after-all, dyslectic.

Toronto Mayor **JOHN TORY** “unexpectedly” vacates the office! Ergo, **DOUG FORD** will be the next Toronto Mayor... as long as he stays away from the word “*Libary.*” (...This I predicted to radio station *CFRB 10-10's* talk-show host **TED WOLOSHYN** just days before Doug Ford suddenly announced his candidacy.)

...Okay, so I was slightly off-centre. So he's *not* the next mayor; even better, he's the *new* leader of the PCs and soon he'll be premier of Ontario and then the next Prime Minister of this great country – Canada! (To wit: "Doug Ford wins Ontario PC leadership after chaotic party race", March 10, 2018, *The Star.*)

\* \* \*

Canadian Prime Minister **JUSTIN TRUDEAU** proves to be Canada’s answer to pre-WWII British Prime Minister **NEVILLE CHAMBERLAIN** (Remember?... “Peace in our time”?) This P.M. is eventually replaced by a more militant one.

I see UFOs flying above and around Toronto’s CN Tower!

\* \* \*

A mid-air crash between two commercial planes over a North American airport – 600 lost!

\* \* \*

**WALT DISNEY** won’t stop ‘til they buy all the remaining movie studios! The one that started life as a duck (Donald) and a mouse (Mickey) has just recently added a *fox* to its collection. The next studio they take over already owns a bunny and a pig (Bugs and Porky), as its mascots. Of course I’m talking about **WARNER BROS.** “*Eeeeh... Th-th-that's all, folks!*”

\* \* \*

Crypto-currency Bitcoin falls hard by Fall! Before people realize it’s a Bit-*CON!*

\* \* \*

End of **TRUMP**'s reign by year deux. Then, no more Office "*as we now know it....*" (And if I'm wrong, I'll be the first to apologize in public and on air!)

Every woman and her sister is jumping on the sexual harassment bandwagon! More especially celebrities who are Great, near-Great, and not-so-Great. I believe ten percent have legitimate cause, but the majority simply crave centre stage! In my long career as a psychic reader (50 years-plus), I have known many women who would do – and *have done!* – *anything* just to be in the limelight. Why do they do it – and keep on going back for more? I've been told it's for the job and the money. Well, if they had *any* character they would have turned down the job – period. That said, I'm no angel, myself.... In my younger days, I did many things to get ahead that I won't even admit to *myself*, much less to anyone else.

Biblical scripture always comes to mind whenever I get too preachy and forget my own sins: "...Judge not, lest ye be judged...." (Matthew 7:1)

I predict that someday all this is going to come back 'round to bite these women on the derriere. Men will be too terrified to even ask a lady out for a date for fear of saying or doing something wrong. Result? – romantic bankruptcy all around!... I "*see*" millions of American women sitting alone at home on a Saturday night, twiddling their thumbs and wondering, "Could it be something I said?"

In my experiences with women, "No" didn't always mean "No." Quite often it meant "Maybe." And if a man is a *real* man, he's not likely to ask every woman he dates if its, "Okay if I kiss you?" That is, if he is a man and not a milksop. 'Nuff said.

Boy, if southern California thinks it has problems now with all those fires, just wait until they see what that heat does to the underlying tectonic plates which La-La-Land rests upon. The ensuing hot cracks and fissures will suddenly fill with cold water – causing the top layer of Los Angeles to slip into the depths – and oblivion – like warm cheese sliding off a cracker! (*STARGAZER 2016*; to wit: "Out of its own mouth, Southern California has condemned itself! A powerful earthquake – like no other – opens the great crevasse to swallow the land of make-believe! A canyon as broad and deep as the sea shall belch forth hell's fire to devour the sinners who have sinned the great sin!")

Do you remember the guy who for years walked around carrying that “END OF THE WORLD!” sign? Well, he’s gonna come out of hiding on November 22, 2022 with a new one that reads: “END OF ‘END OF THE WORLD’ SIGNS!”

Incidentally, the only prediction that H.G. Wells wrote about that so far hasn’t come true is “The War of the Worlds!” But it’s coming – and so are *They!* – The Star-traveling Gods Who created us!

(Amen)

*An inspiration, like a lightning bolt, flashes through our entire neurological or Electrical system, which can be likened to a storage battery, but **it does not originate in us!** It exists exogenously (that is to say, outside the organism and throughout the entire Universe), and is the synapses (Electrical activity from one brain cell to another), that is simultaneously suffused throughout our Electrical pathways and triggers neurons, which in turn allow the receptors in the brain to “receive” an occasional flash of genius. Yet, we ignorantly – and arrogantly – continue to take credit for ideas that “strike us out of the blue,” as though we ourselves willed these brainstorm. At the moment the corporeal brain and body die, I aver that the Energy Which did serve them continues on, but also contains in that one, small Divine spark, every single, departed loved one’s image, voice, sound, life’s experiences and collective knowledge that they – and we – have ever gained over a lifetime, like a computer chip; which may explain the phenomenon of child prodigies, for those who embrace reincarnation. (Think memory banks – visually and audibly – of your computer.) As that Precious Point of Light retreats from the inert body, it reverts to its Original Form as It makes Its way back to the Cosmos... back Home.*

## The Beautiful Story of Christmas (according to Anthony)

I have always believed that the star of Bethlehem was a UFO which led the three Magi to the Christ child; that Mary was put into a deep sleep by the Archangel/Star-traveler Gabriel, who, through some form of Extra-Terrestrial artificial insemination, impregnated her and – Voila! – a superior Human Being, Who was and was not of this world, was conceived (the “virgin” birth); and “the angel of the Lord” who “appeared to the shepherds keeping watch over their flocks by night,” was most certainly an Extraterrestrial astronaut!

*A theory:* His resurrection could have been the result of the cloning of his DNA. His “ascension into heaven,” perhaps to the Mother ship and head-Honcho Star-traveler, a sort of “Beam me up, Scotty!”

Thus we have the beautiful story of Christmas:

“...And God (the *good* Star-traveler), sent the angel Gabriel (one of his astronauts) to the city of Galilee, named Nazareth, to a virgin named Mary, who was betrothed to a man called Joseph; and the angel appeared to her and said, ‘Hail, O favored one, the Lord is with thee! Do not be afraid, Mary, for you have found favor with God.

“‘And behold, you will conceive in your womb and bear a son, and you shall call His name Jesus. He will be great, and will be called the Son of the Most High; and the Lord God will give to Him the throne of his father, David, and of his Kingdom there will be no end; and He will reign over the house of Jacob forever.’

“And Mary said to the angel, ‘How shall this be, since I have no husband?’ And the angel said to her, ‘The Holy Spirit will come upon thee (advanced technical form of impregnation?) and the power of the Most High will overshadow you; therefore, the child to be born will be called Holy, the Son of God.’ (Luke 1:26-35)

“And there were shepherds out in the field, keeping watch over their flocks by night. (Again) and “the angel of the Lord appeared to them, and the glory (very bright lights) of the Lord shone around them, and they were filled with fear.” (\*Throughout the Bible, whenever “the glory of the Lord” is mentioned, I believe this is meant to refer to *a very bright light* which, centuries before the advent of electricity, certainly would have seemed like “glory light,” or a glorious light, indeed.)

“And the angel said to them, ‘Be not afraid; for behold, I bring you good tidings of great joy which shall be to all men; for to you is born this day in the city of David, a Savior, who is Christ the Lord. And this will be a sign unto you; you will find the babe wrapped in swaddling clothes and lying in a manger.’

“And suddenly there was with the angel, a multitude of the heavenly host” (many celestial astronauts frolicking to and fro, wearing either oxygen tanks or levitating devices on their backs, often depicted in Christian religion icons and paintings as *wings*), praising God and saying, ‘Glory to God in the highest, and on Earth, peace and goodwill toward men, with whom he is pleased!’... When the angels went away from them *into heaven...*” etc.. (Luke 2:8-15)

And then, of course, there were the three wise men who followed the star of Bethlehem, probably a very bright UFO: "...And lo, the star which they had seen in the east went before them (that is, led them), till it came to rest (or stop) over the place where the child was...." The Old and New Testament are rife with stories about Star-travelers, e.g., when Moses brought the people of Israel up to Mt. Sinai: "Thus the Lord spoke to Moses **face to face, as a man speaks to his friend.**" (Exodus 33:11)

And as already mentioned earlier, Psalm 18 is strongly descriptive of a UFO (Unidentified Flying Object).
