

# ANTHONY CARR's Stargazer Predictions & Prophecies for 2019-2022

**2022 is fast approaching! ARE YOU READY?**  
**Will it change the world? Will it change your life?**

Where will your  
safe haven be?

A book you must read!

**THIS NEW BOOK TELLS ALL!**

**READ THIS IF YOU DARE! AFTER YOU DO, NOTHING WILL EVER BE THE SAME.**

These shocking events will unfold in politics, medicine, health, the environment – even there, in your own home town!  
Anthony's amazing (fulfilled!) predictions have been well documented in nearly every major newspaper, TV and radio station around the world! Therefore there is no reason to believe that the predictions inside this incredible book will not also come to pass!

Anthony Carr's incredibly on the mark predictions have been verified, witnessed, and proven accurate again and again. His visions of 2019-2022 are absolutely riveting!  
This modern day Nostradamus reveals STARTLING! FRIGHTENING! VISIONS – visions of a new world fraught with DANGER, but also HOPE!... He predicts: "Up will be down – down will be up!"

"The more bizarre Anthony's predictions, the more accurately they are fulfilled!"

[Anwar Knight, host – Energy Radio 108, Breakfast Show]

Anthony continues: "...This Earth will not be familiar as it is today!"

"His track record for predicting major events is well documented and truly astounding!"

[Mark Bonokowski, Editor, Ottawa Sun]

He also predicts: "...The great exodus to the cold places made tropical brings forth entire nations! – politically, geographically, demographically. Ye gads! – what eternal changes there shall be!... such as have not been seen since the beginning of the world!"

This is Anthony Carr – "the seer without peer!"

[B.J. Del Conte, former bureau chief, UPI, United Press International]

"...Strange beings will inhabit the earth!  
Some to stay, some to go, some to return..."

"The accuracy of his predictions actually frightens me!"

[Sylvester Stallone, Hollywood Star]

"...A new world order shall prevail..."

**WHAT WILL YOU DO?! WHERE WILL YOU GO?!**

THIS INCREDIBLE BOOK REVEALS TO YOU...

- New pathways to safety!
- New, arable lands!
- New natural resources – and much, much more!

**WARNING! Not for the faint of heart. Not for the "bury-your-head in the sand" types. Not for those who think everything will continue as is. These are the revelations from a "modern-day Nostradamus," long awaited by members of government,**

"The time is nigh when I must die; and so my friend, it's soon goodbye. But 'ere I go, please don't forget, this evil world must meet its end!  
Ta-ta, farewell, so-long and salute, till Messiah descends from the stars to you!  
No peace shall there be till the Master begins, to winnow these herds then start over ag'in. Let the culling take place, let the sheep herders gather, for only They know for sure what's the matter! And then, maybe then, will you all stand up tall, when the sins of this world are purged once and all!"

"...And all the inhabitants of the Earth shall witness many catastrophes, each one more devastating than the last, which will cause sea-beds and continents to interchange, submerging kingdoms and creating the new! One, catastrophic single day shall hurl to ruin the massive form and fabric of this world, which shall then fall headlong into the void! The whole firmament shall crash down on to divine Earth...Then shall flow a ceaseless cataract of raging fire that shall burn land and sea. The firmament of heaven and the stars – and creation itself! – shall meld into one molten mass! Then no more shall there be twinkling orbs; no night, no day, no dawn, no spring, no summer, no winter, no autumn. One, single day shall see the burial of all mankind... save few. All that the long forbearance of Fortune has wrought, all that has been raised to eminence, all that is famous and beautiful – great thrones, great nations – all shall descend into the abyss; everything overthrown in just one Cosmic hour! The vengeance of the Lord's flame will burst asunder the very framework of the crust of the Earth, until this world is no more than a burnt out cinder – hurtling through space!  
... And yet, for some – hope!... Hope and safety!..."

[Anthony Carr]

"Anthony Carr's prophecies never cease to amaze me!"

[Lady Iris Mountbatten, Queen Elizabeth's cousin]

"You seem to know the innermost secrets of my heart..."

[Queen Julianna, of the Netherlands]

"I have known Anthony Carr for over 35 years and he has never ceased to amaze me with his ability to predict the future! I can state unequivocally that he is the most accurate psychic that I have ever interviewed!"

## SOME OF ANTHONY CARR'S 101 PREDICTIONS FOR 2019 – AND BEYOND!

*"It's amazing just how many of Anthony's predictions have come true over the years!"*

*– Justin Da Silva (avid reader & editor of Anthony's predictions)*

*(Palm print of Lady Iris Mountbatten taken during reading with Anthony Carr.)*

**PRINCE ANDREW's** sudden rise to the world stage helps organize the British Royal Family. "Randy Andy" was his affectionate soubriquet when he attended Lakeview College in Peterborough, Ontario, just outside Toronto. He and his "wild bunch" once walked into the bar where I was playing with my band, *The Boyd Gang*, and a good time was had by all! That Regal Royal Rascal *could be* the next de facto British Monarch, if not the de jure one.

### **\*Editor's note:**

Anthony's complete appellation is "Sir Anthony Lonsdale-Carr," by virtue of the de facto courtesy title bestowed upon him — *personally* — by Her Most Serene Highness, the late, Lady Iris Mountbatten, in Toronto, 1981. Born at Kensington Palace, she was the great-granddaughter of Queen Victoria; 1st and 2nd Cousin, respectively, to King George VI of England and Great Britain and His Daughter, Queen Elizabeth II; and of course cousin to the late, Lord Louis Mountbatten, WWII Supreme Allied Commander of South East Asia and the last Viceroy of India.... For obvious reasons, Anthony rarely uses the title....

As I predicted in 2016, “President-elect **DONALD TRUMP** is going to march us down the path to hell – and straight into World War III!! Within two years he’ll leave office, either vertically or horizontally, and the Presidency will never be the same again, having left it in shambles....”

\* \* \*

### **TRUMP, the gutless HITLER!**

That is to say, he is as insane and cruel as Hitler was, but at least Hitler had enough guts to fight for his country in WWI and then off himself with cyanide and a bullet to the brain when he knew he was through, at close of WWII. Trump has all the Hitler ingredients but lacks the intestinal fortitude, buying himself out of the Vietnam conflict – 5 times, no less!

*What's wrong, Mr. President – still having trouble wrapping your Bugs Bunny teeth around the F-word? “...Fu-fu-fu....” — Aw, fuhgeddaboudit!*

\* \* \*

As I said last year: “End of **TRUMP’s** reign by year deux. Then, no more Presidential Office (*as we now know it*) ...And if I’m wrong, I’ll be the first to apologize publicly.”

\* \* \*

**DONALD TRUMP** invests millions in a fertilizer plant that uses cow dung as its main ingredient. This will make him the first entremanure. (Hyuk-yuk!)

\* \* \*

America’s economy grows by leaps and bounds in spite of **TRUMP**, while the Yankee Dollar remains, uh... well, as sound as a dollar!

\* \* \*

I have sent three pairs of baby booties to Royal Lovers, **PRINCE HARRY** and **MEGHAN MARKLE**, congratulating them in advance: twin boys, then a girl; or vice-versa; I am, after-all, dyslectic.

\* \* \*

Canadian Prime Minister **JUSTIN TRUDEAU** proves to be Canada's answer to pre-WWII British Prime Minister **NEVILLE CHAMBERLAIN** (Remember?... "Peace in our time"?) This P.M. will be replaced by a more militant one.

\* \* \*

Explosions above and around Toronto's CN Tower!

\* \* \*

The Toronto Maple Leafs once again build hope enter the Stanley Cup finals. But as usual, they lose their stride then choke. (I really hope I'm wrong, because this psychic would love to see Toronto win the cup one more time before he "sheds this mortal coil.")

\* \* \*

On the other hand, the Toronto Raptors will devour all challengers like a tyrannosaurus rex – and win the championship in 2019!

\* \* \*

A mid-air crash between two commercial planes over a North American airport – 600 lost!

\* \* \*

**WALT DISNEY** won't stop 'til they buy all the remaining movie studios! The one that started life as a duck (Donald) and a mouse (Mickey) has just recently added a *fox* to its collection. The next studio they take over already owns a bunny and a pig (Bugs and Porky), as its mascots. Of course I'm talking about **WARNER BROS.** *"Eeeeh... Th-th-that's all, folks!"*

\* \* \*

When crypto-currency Bitcoin falls hard by the Fall, then people realize it's a big-*CON!*

\* \* \*

**HILLARY CLINTON** isn't through yet! She'll make an astounding comeback that leaves a legacy even greater than the Office of the U.S. Presidency may have provided!

\* \* \*

If the next Pope's name is Peter – then duck! Because Armageddon is just around the corner!

\* \* \*

After new attacks on America, many citizens flock to Canada; its properties priceless!

\* \* \*

Every woman and her sister is jumping on the sexual harassment bandwagon! But mostly they are small “c” celebrities who want to be near-Great, if not Great celebrities. I believe ten percent have legitimate cause, but the majority simply crave centre stage! In my long, long career as a psychic reader (50 years-plus), I have known many women who would do – and *have done!* – *anything* to be in the limelight. Why do they do it – and keep on going back for more? Many have told me it's the job and the money. Well, bless their heart, but if they had *any* character at all they would have turned down the job in the first place – period. That said, I'm no angel myself.... In my younger days I did many things in order to get ahead that I won't even admit to *myself*, much less to anyone else.

Biblical scripture always comes to mind whenever I find myself getting too preachy and forget my own shortcomings: “...Judge not, lest ye be judged....” (Matthew 7:1)

I predict one day all this stuff is going to come back 'round and bite these women on the derriere. Men will be too terrified to even ask a lady for a date for fear of saying or doing something wrong. Result? – romantic bankruptcy all around!... I “see” millions of North American women sitting alone at home on Saturday night, twiddling their thumbs and wondering, “Could it be something I said?”

In my experiences with women, “No” didn't always mean “No.” Quite often it meant “Maybe.” And if a man is a *real* man, he's not likely to ask every woman he dates if its “Okay to kiss you?” That is, if he is a man and not a milksop.  
'Nuff said.

\* \* \*

While Britain's Brexit succeeds – the Euro fails! Nearer and nearer comes the cashless society; credit numbers tattooed on the foreheads and hands of all Earthlings. (“...and he who has not the ‘Mark of the beast’ in his hand or head, shall perish.”)

(Christian Bible: Revelation 14:9-12)

\* \* \*

Establishment of euthanasia centers flourish as the mass of infirm humanity becomes overwhelming! (See movies Logan's Run and Soylent Green.)

\* \* \*

In two-o-two-four (2024), Mother Church shall be no more! Rome's home, this Pope to *flee*! – and all that's left shall be the sea! (But *not* the See.)

\* \* \*

In my Mind's Eye, I see a wall of flame surrounding the British Royal family.... And the killer asteroid flies by!

\* \* \*

Worst storm of the 21<sup>st</sup> century (thus far) sweeps across the Great Lakes, parts of the U.S., and Southern Canada with little or no warning.

\* \* \*

Giant comet-like object *streaks* through the heavens – bright enough to be seen even during daylight hours! Will cause death and damage!

\* \* \*

Parts of coastal British Columbia swamped by great tsunamis caused by underwater earthquakes (or waterquakes!).

\* \* \*

Two simultaneous volcanic eruptions, on the American East Coast and in Middle Europe. (Key word here is “simultaneous.”) This signals a New Age.

\* \* \*

Australia and New Zealand become the catalyst for World War III!

\* \* \*

A “miracle” manifests before all the world, bringing hostilities to an abrupt halt.

\* \* \*

Former U.S.S.R. countries come together under a powerful leader and once again threaten world peace. But only temporarily. Beware China!

\* \* \*

Women admitted to the Catholic priesthood and (straight) priests allowed to marry women. (Or the church is doomed!)

\* \* \*

More and more people opt to live with pets rather than people. Less muss, fuss, and drama! Marriage, obsolete.

\* \* \*

The billion-dollar bottled water industry crumbles when “they” discover their H<sub>2</sub>O comes from the tap – and worse places!

\* \* \*

Corpses old, corpses new, resurrected from that which *was* you! From below DNA level, to the immaterial Life-Force Itself – beyond space and time!

\* \* \*

A new understanding of psychic Energy – its *control* and *use* – will be taught worldwide in universities as part of their physics programs: just like heat, light, electricity – and now psychism.

\* \* \*

A complete roll-reversal: men become women, women become men – which is to say, since physical sex will no longer be necessary – or desirable – males become effete as women become powerful, both at home and at the office. Or, as is often stated: “Women *pretend* to be what men *really* are.”

\* \* \*

Do you remember those guys who always walked around carrying “END OF THE WORLD!” signs? Well, their gonna come out of hiding on November 22, 2022 with new ones: “END OF ‘END OF THE WORLD’ SIGNS!”

\* \* \*

Incidentally, the only prediction H.G. Wells wrote about that hasn't yet come true is "The War of the Worlds!" But it's coming, and so are *they*! ...Those Star-traveling Gods Who created us in the first place!

(Amen)

\* \* \*

*An inspiration, like a lightning bolt, flashes through our Electrical neurological systems which can be likened to a storage battery, but **it does not originate in us! It exists exogenously; that is to say, outside the organism and throughout the entire Universe.** It is the synapses (Electrical activity from one brain cell to another) that simultaneously floods our Electrical pathways and triggers neurons, which in turn allow receptors in the brain to "receive" occasional flashes of genius. Yet, we ignorantly – and arrogantly – take credit for ideas which "strike us out of the blue" as though we ourselves willed them. At the moment the corporeal brain and body die, I aver that the Energy Which did serve them continues on, but also contains in that one small Divine spark every single, departed loved one's image, voice, sound, life's experiences and collective knowledge that they – and we – have gained over a lifetime; much like a computer chip, and probably explains the phenomenon of child prodigies, for those who may embrace reincarnation. (Think memory banks – visually and audibly – of your computer.) As that Precious Point of Light retreats from the inert body, it reverts to its Original Form as It makes Its way back to the Cosmos... back Home....*

# ANTHONY'S RECENTLY FULFILLED PREDICTIONS FROM HIS "100 PREDICTIONS FOR 100 YEARS" (PUBLISHED IN 2003)

## SECRETS HIDDEN IN THE PYRAMIDS!

"The coming year sees the great Pyramid and Sphinx give up their secrets to reveal our connection with our creators, the Star-Travelers. Our origins finally revealed!"

"Life's eternal secret discovered in the hidden sepulchers of the great Pyramid and Sphinx. This, of course, begs the question, what is 'the secret of *life*' doing in the *house of the dead*? I believe Papyrus documents unearthed beneath Egypt's Great Sphinx are Extraterrestrial in nature and possess enough information to obliterate practically every scourge known to Man and all religions, as we '*think*' we know them!" (Prophesied in *STARGAZER 2012*; to wit: "*Scientists discover mysterious 'void' in Great Pyramid of Giza!*" November 3, 2017, CNN.)

\* \* \*

"An incredible world event sparks an enormous exodus towards the **Yukon, Northwest Territories** – and beyond! Peoples of every nation will emigrate to these parts." (Prophesied in *STARGAZER 2017*; to wit: "*Thousands upon thousands of immigrant 'Americans' flocking North to Canada, in an attempt to escape Trumpland, USA.*")

\* \* \*

"The world is stunned by an unexpected candidate for the Presidency of the United States who will make former British Prime Minister 'Iron Lady' Margaret Thatcher look like a pantywaist." (Prophesied in *STARGAZER 2014*; to wit: "*Trump's unexpected win as U.S. President!*" Nov 8, 2016.)

\* \* \*

"**DOUG FORD** will be the next Toronto Mayor... as long as he stays away from the word '*Library*.' (...This I predicted to radio station *CFRB 10-10's* talk-show host **TED WOLOSHYN** just days before Doug Ford suddenly announced his candidacy.)  
...Okay, so I was slightly off-centre. So he's *not* the next mayor; even better, he's the *new* leader of the PCs and soon he'll be premier of Ontario and then perhaps even Prime Minister of this great country – Canada!" (\*To wit: "*Doug Ford wins Ontario PC leadership after chaotic party race*", March 10, 2018, *Toronto Star*.)

\* \* \*

"Unfortunately, the death of George H. W. Bush, Sr." (*STARGAZER 2016*; to wit: George Bush Sr. died on November 30, 2018.)

\* \* \*

“Boy, if southern California thinks it has problems now with all those fires, just wait until they see what that heat does to underlying tectonic plates which La-La-Land rests upon. The ensuing hot cracks and fissures will suddenly fill with cold water – causing the top layer of Los Angeles to slip into the depths – and oblivion – like warm cheese sliding off a cracker!” (*STARGAZER 2016*; to wit: “Out of its own mouth, Southern California has condemned itself! A powerful earthquake – like no other – opens the great crevasse to swallow the land of make-believe! A canyon as broad and deep as the sea shall belch forth hellfire to devour the sinners who have sinned the great sin!” – 2018 has seen the worst fires in California’s recent history, with much more to come!)

\* \* \*

“Revolutionary breakthrough in homecare-treatment technology! Treatment for everything from brain-surgery to cancer to be performed by doctors through computers linked from hospitals to patient’s homes! This will expedite treatment by providing immediate care which otherwise would not be available. This technology the world will very soon know about!” (First prophesied *STARGAZER: Predictions and Prophecies for 2013*; to wit: “More home care choice means better treatment,” May 14, 2015, *Toronto Sun*.)

\* \* \*

“Beware Russia! She will pull another double-cross. Let’s not forget their two-step philosophy: two steps forward, one step back.” (First prophesied in *STARGAZER: Predictions and Prophecies for 1992*; to wit: “Russia Invades Ukraine” August 28, 2014, *Toronto Sun*.)

\* \* \*

“Androids will do jobs too dangerous or undesirable for people; making bomb squads, medical procedures, army infantry divisions and garbage men, among other occupations, obsolete.” (First prophesied in *STARGAZER: Predictions and Prophecies for 2003*; to wit: “Is Robotic Prostate Surgery Better Than Traditional Surgery?” June 24, 2018, *The Wall Street Journal*.)

## The Beautiful Story of Christmas (according to Anthony)

I have always believed that the star of Bethlehem was a UFO which led the three Magi to the Christ child; that Mary was put into a deep sleep by the Archangel/Star-traveler Gabriel, who, through some form of Extra-Terrestrial artificial insemination, impregnated her and – Voila! – a superior Human Being, Who was and was not of this world, was conceived (the “virgin” birth); and “the angel of the Lord” who “appeared to the shepherds keeping watch over their flocks by night,” was most certainly an Extraterrestrial astronaut!

*A theory:* His resurrection could have been the result of the cloning of his DNA. His “ascension into heaven,” perhaps to the Mother ship and head-Honcho Star-traveler, a sort of “Beam me up, Scotty!”

Thus we have the beautiful story of Christmas:

“...And God (the *good* Star-traveler), sent the angel Gabriel (one of his astronauts) to the city of Galilee, named Nazareth, to a virgin named Mary, who was betrothed to a man called Joseph; and the angel appeared to her and said, ‘Hail, O favored one, the Lord is with thee! Do not be afraid, Mary, for you have found favor with God.

“‘And behold, you will conceive in your womb and bear a son, and you shall call His name Jesus. He will be great, and will be called the Son of the Most High; and the Lord God will give to Him the throne of his father, David, and of his Kingdom there will be no end; and He will reign over the house of Jacob forever.’

“And Mary said to the angel, ‘How shall this be, since I have no husband?’ And the angel said to her, ‘The Holy Spirit will come upon thee (advanced technical form of impregnation?) and the power of the Most High will overshadow you; therefore, the child to be born will be called Holy, the Son of God.’ (Luke 1:26-35)

“And there were shepherds out in the field, keeping watch over their flocks by night. (Again) and “the angel of the Lord appeared to them, and the glory (very bright lights) of the Lord shone around them, and they were filled with fear.” (\*Throughout the Bible, whenever “the glory of the Lord” is mentioned, I believe this is meant to refer to *a very bright light* which, centuries before the advent of electricity, certainly would have seemed like “glory light,” or a glorious light, indeed.)

“And the angel said to them, ‘Be not afraid; for behold, I bring you good tidings of great joy which shall be to all men; for to you is born this day in the city of David, a Savior, who is Christ the Lord. And this will be a sign unto you; you will find the babe wrapped in swaddling clothes and lying in a manger.’

“And suddenly there was with the angel, a multitude of the heavenly host” (many celestial astronauts frolicking to and fro, wearing either oxygen tanks or levitating devices on their backs, often depicted in Christian religion icons and paintings as *wings*), praising God and saying, ‘Glory to God in the highest, and on Earth, peace and goodwill toward men, with whom he is pleased!’... When the angels went away from them *into heaven...*” etc.. (Luke 2:8-15)

And then, of course, there were the three wise men who followed the star of Bethlehem, probably a very bright UFO: "...And lo, the star which they had seen in the east went before them (that is, led them), till it came to rest (or stop) over the place where the child was...." The Old and New Testament are rife with stories about Star-travelers, e.g., when Moses brought the people of Israel up to Mt. Sinai: "Thus the Lord spoke to Moses **face to face, as a man speaks to his friend.**" (Exodus 33:11)

And as already mentioned earlier, Psalm 18 is strongly descriptive of a UFO (Unidentified Flying Object).
