

# Anthony Carr's Predictions for 2026

Former *National Enquirer* Top Psychic who accurately predicted 9/11, the 2020 pandemic — and the economic crash that followed; also Trump's 2024 Presidential win.

\* \* \*

**MY MOHAWK-ITALIAN BLOOD IS SCREAMING *REVENGE* FOR WHAT THEY DID TO MY MOTHER!!!!** Doctors Michael Sklar & Seema Marwaha (charge: "Homicide with malice aforethought") and Clinical Assistant (C.A.) Peter Baguma (charge: causing an "indignity to a dead human body") at St. Michael's Hospital (a.k.a. St. Michael's Hospital)! They murdered my Mother and denigrated her body — *right in front of me!* To be severely punished by the courts or the Cosmos — hopefully both! But punished *they shall be!!!* You can count on it!!!! "Cast thy blasphemes upon the water and they shall come back ten times, ten times ten!!!!"

\* \* \*

The *National Enquirer* still owes me \$250. Imagine that: — a giant conglomerate tabloid publishing industry that grosses at least \$10,000,000 (U.S.) a week — a *week!* — worldwide! And they stiffed me for a measly \$250.00. Unbelievable! They're so tight they squeak when they walk! Not their shoes — their sphincters! Talk about "anal retentive". They make Ebenezer Scrooge look like Santa Claus! Well, no one's perfect. Even psychics get suckered! So, for this reason and the fact that they have *always* forced me to write sickly saccharine, slimy, smarmy, gag-me-with-a-spoon, greasy crap about Hollywood stars who, for the most part, are incredibly boring in real life, except for the occasional odd one. — And I do mean "odd", in every sense of the word: Sylvester Stallone's late Mother, Jacquelline Stallone and my Mom, Josephine Victoria Lonsdale — were great friends, often appearing together with me on my psychic infomercials. They were two of the most interesting women I have ever known — and I've "known" quite a few during my 8-plus decades on this

speck of dust called Earth. Jacquelline Stallone was an amazing astrologer. (The only astrologer to predict that Trump would be President — 1st term — while everyone else laughed — including me!). She and I worked together. We were the psychic version of “Laurel and Hardy,” on Television and Radio — world wide! Whenever Jackie came to Toronto, my Mom would read her tea leaves. I stayed at her Santa Monica, California town-house, along with her husband, Dr. Steven Levine, off-and-on for over ten years — And yes, I got to meet, greet and read the palms of *many* Hollywood stars, going back as far as late silent screen icons Lillian Gish and Mary Pickford, whose autographed palm prints I still possess. (Pickford was born in Toronto, Canada.)

And so for stinting on my \$250 payment — and for not allowing me to follow my natural psychic inclinations (that of accurately predicting world events and “reading” for world figures), I am forthwith withdrawing from my “lofty” position as “top psychic” with these yellow tabloids: *National Enquirer, Globe, Star, Examiner* and *Sun*, for a total of about 50 years! And remember: “It’s not the principle — it’s the money!!!”

protect its inhabitants. Sort of like those old 1950s comic book versions of Atlantis under glass, at the bottom of the ocean. So thick and sick will be the air that anyone venturing “outside” will have to wear something that resembles a deep-sea diving suit with a built in oxygen tank.... Governments, ever enterprising, will probably charge citizens for

In and around the *Marianna Islands* and its *Trench* (deepest canyon of all the canyons of any of the oceans). Truly, the world shall marvel!

\*\*\*

An *upside-down mountain* rises from the deepest seabed!

\*\*\*

A globally recognized beer brand is blamed for a rash of sudden deaths—worldwide—due to its chemical compound. The adverse health effects are so severe that the brand is forced to disappear forever from the shelves. (Have you heard of the hugely popular diet caramel candy, *AYDS*, whose slogan was: “Lose weight quickly with AYDS!” “Lose weight quickly!” “Lose weight quickly!”)

**Predicted in  
STARGAZER:  
PREDICTIONS &  
PROPHECIES — 2008!**

Welcome to the 51<sup>st</sup> state as *Canada* slowly continues to be annexed, subsumed or otherwise engulfed by the smothering love of its extended family to the south.

*Yukon* and *Northwest Territories*—and beyond! Peoples of every nation will sojourn in these places.

\*\*\*

Boy, oh boy—are we ever quickly moving toward the cashless society I’ve been predicting for years, as paper money becomes worthless! What will take its place, we wonder...perhaps belly button lint?

\*\*\*

Gold standard returns—increases threefold!

\*\*\*

The above prediction was first prophesied in Anthony Carr’s *STARGAZER: Predictions & Prophecies* 2008; To wit: “Donald Trump says **Canada becoming 51st U.S. state is a great idea.**” *CTV News*, December 18th, 2024. Also, from Anthony Carr’s *STARGAZER: Predictions & Prophecies for* 2024:

“Former U.S. President **DONALD TRUMP** has all charges against him dropped and pardons himself when he once more becomes President.”

Anthony Carr, the *only* person in the world who predicted — a year previously! — that Donald Trump would win the Presidency — despite all the serious charges against him. A long shot prediction! “Anthony Carr is the only one who accurately predicted — *in print* — 9/11!” (*Toronto Star*, Dec. 31st, 2000, New Year’s Eve.)

There is a Canadian election for a new Prime Minister on the horizon. They’re forcing Justin Trudeau to step down. In comparison to Trump, both Justin (Liberal) and Pierre Poillievre (Conservative) look like little boys who should be in short pants and sucking lolly-pops. I have already predicted that “**DOUG FORD** will *one day* become Prime Minister of Canada.” (*STARGAZER* 2018.) He is the only guy who can go toe-to-toe with Trump and not take any of his guff! But for now, Prime Minister Carney will have to do. (By the way, I also am a carney. That is to say, I was born on one: “Conklin Shows!”)

## IS TRUMP THE BIBLICAL BEAST?

[REVELATION 13:3]

[YES!!!!]

“And I saw a beast rising out of the sea, with ten horns and seven heads. *One* of its heads ‘*seemed*’ to have a mortal wound (Trump?), but its mortal wound was healed, and the *whole Earth* followed the beast with wonder, saying, who is like the beast, and who can fight against it?

“Authority was given it over every tribe and people and tongue and nation, **all** who dwell on Earth will worship it!

“Then I saw another beast which rose out of the Earth (Putin?). It exercises all the authority of the *first beast* (Trump) **in its presence** and makes the Earth and its inhabitants worship the first beast, ***whose mortal wound was healed***. (Trump?)

***“The beast (Trump?) deceives those who dwell on Earth! Bidding them (the Earthlings) to make an image for the beast which was wounded by the sword and yet lived; and it was allowed to “give breath” to the “image” of the beast so that the image of the beast should even “speak!” (Television, TikTok, etc.)***

“It works great signs, even making fire come down from heaven to Earth in the sight of men” (drones, missiles, lasers, etc.)

Anthony Carr's interpretation of "**THE BEAST**" (Rev., Chapter 13)

Donald Trump once said about late Republican Senator John McCain, back on July 18, 2015: “He’s not a war hero. He was a war hero because he was captured?” Trump, incidentally, *never* served his country. His only service to it was — and still is — merely lip service, and to help himself to as many servings of it as he can possibly wolf down! That’s the extent of his heroic sacrifice for his country. Which *now* begs the question: Why is Trump being hailed as “a hero”? Because he accidentally dodged a bullet? — not even on purpose! It was just pure dumb luck that his would-be assassin was a rotten shot! And that Jupiter, the great benefic planet of great good luck, was then traveling through his sign, Gemini. That’s what *truly* saved Donald Trump’s ass. Because *Trump is a Gemini!* If not for that — his brains would have been splattered all over that giant jumbotron!!

Trump is a President who received several deferments during the Vietnam war, probably because his late Father bought him out of the conflict, no doubt, like *all* spoiled rich brats... rich, spoiled brats, including my own former Canadian Prime

Minister, Justin Trudeau, who wears pansy “Argyll” socks and brown shoes with a blue suit! He looks like he was dressed by Helen Keller!

President **TRUMP** and Televangelist **PETER POPOFF** could be twins! Both have squinty, beady eyes as they look at you through your TV screen and B.S. you to death! Both look like they should be wearing loud, black-and-red checkered sports jackets as they spew forth. And Trump, especially, reminds me of the Biblical Beast, Rev. Chapter 13: “...and the beast shall deceive all the inhabitants of the Earth.” And he most certainly will! They both look like used-car salesmen! Honestly, now — would *you ever* buy a used car from either one of these guys? Come on — tell the truth and shame the devil! (Turns out that shortly after my “used car” prediction, Trump and Elon Musk literally indeed were trying to sell Tesla cars right in front of the White House. And even at that, they failed! They are an embarrassment to every “decent” con-artist, used-car salesmen the world over!)

**COME ON CANADA — WAKE UP!!!!**

TUTONIC TYRANT TRUMP’S TERRIBLE TARIFFS ARE  
JUST A “RED HERRING” TO DISTRACT FROM HIS  
INTENTION TO TAKE OVER CANADA! AND THAT’S IT!!  
(HE ISN’T FOOLING ANYONE!!!!)

Mr. President, heed you *well* my prophecy!... You are treading on very thin ice by persisting in making continued threats to annex Canada as America's 51st State! Even though I publicly predicted "the attempt" in one of my periodicals many decades ago — you *will* open a Pandora's box that can *never be closed!*

Canadians *do not like bullies!* Through two World Wars and Korea we have been Allies and friends, and lest *you* forget, it was the Canadian Ambassador to Tehran, Kenneth D. Taylor, who — at the risk of his own life — saved the lives of several American staff members whose own Embassy building was then under siege, sneaking them into the Canadian Embassy and out of the country — using fake passports — and then safely home.

Mr. President, you also make mention of the fact that we in Toronto (then called York), paid Washington a little visit back in 1814 and set fire to your White House, turning it into a Black House. True. But it was in retaliation for the prior American sneak attack on Toronto (York) in 1813, during which the U.S. troops burned and looted our fair city (quid pro quo, sort of).

Come. Let us continue to be friends and Allies. There are now eight billion people on this little planet — Eight Billion!! At the outbreak of WWII, there were only two measly billion souls on this planet — and still... look at what happened! Even if you succeed in building a "wall" from sea-to-sea and coast-to-coast, locking in nearly 400 million Americans, what do you think the other seven-and-a-half billion are going to be doing — just lying down and waiting to die? Not a chance! They'll rise up and take everything from the "haves" and hopefully give "*some*" to the "have-nots." Maybe it's the only way to survive on this greatly over-populated planet, which is capable of comfortably supporting only about three-and-a-half billion — tops! Something's got to give! Even if WWII breaks out, it'll seem like a walk in the park compared to the Menace from Outer Space, they who created us homo sapiens, the Annunaki! AND THEY TRULY ARE BRUTAL!!!! Call them — or Him — whatever you will: — God, Lord, Yahweh, Jehovah, Allah — no matter. But when they arrive, "we shall *all* have to hang together or," as Benjamin Franklin infamously and so eloquently put it, "we most assuredly will *all* hang separately!"

So, Mr. President, you don't want us as an enemy when we might accomplish so-o-o much more together, as friends. And especially if we *all* have to join forces to battle a common enemy — FROM ABOVE! — A "WAR OF THE WORLDS!!" It is the *only* H. G. Wells prediction that has, *so far, not yet* come to pass!!

P.S. — I greatly enjoy you as an entertainer, but as for your politics?... Well, if you conflate the politics of Hitler, Stalin, Lenin (and I don't mean John), Mussolini, and quite possibly Satan — and the Star-travelers! — they together would seem as harmless as Shirley Temple skipping along through the park, singing, “On The Good Ship, Lollipop,” compared to your agenda. And lastly, Mr. President, we — that is to say — you and I — have a mutual friend in Hollywood, Sylvester Stallone — and, for me in particular — his late Mom, Jacqueline Stallone, who was a great astrologer and who once said — as I know *you* know because I was there at her home when she told Sylvester — that *you* were going to be the next President of the United States! (1st term.)

And now here you are again (only this time I predicted your win as far back as a year ago). And so, Mr. President, “Stay calm, carry on” and keep your ego in check. Because “What goes up, ultimately must come down!” The planets are presently in your favor. Do you remember when you asked Sylvester, before you won your first term: “Are you *sure* your Mother said I was gonna win?” Her words were: “Most assuredly.” And shortly after, she passed away — but not before she answered my final question to her after your 3rd year in: “Jackie,” I asked. “Do you think Trump will win a second term?” Her reply: “I hope not.” She truly was a good friend to me and to my late Mother. And I hope they are together again — somewhere in that Great Beyond....

### **UPDATE: March 1, 2025**

The disgusting and disgraceful verbal attack on poor Ukraine President Volodymyr Zelenskyy, who already has enough to deal with, was the worst kind of schoolyard bullying I have witnessed since I was a kid growing up in the slum projects of Regent Park, Toronto's aptly named “Olde Cabbagetown.” At Park Public School — (now renamed Mandela Park School, since his visit here some years ago) — I would witness and experience such cowardly bullying as you and your sycophantic Vice President toady, Vance, portrayed that day! A former marine?... Ha! — Not much of a man — or soldier — I'd wager. A *real* man doesn't pick on smaller ones, which, physically, Zelenskyy definitely is — much smaller than either of you — but a giant when it comes to real guts! Only cowards do that. The last time I witnessed a similar despicable display was at the 2022 Academy Awards when actor Will Smith walked up to much smaller comic Chris Rock and smacked him across the face! “The slap seen and heard around the world!” It effectively ended Smith's own career! To his credit, Chris did not retaliate. And Zelenskyy did not, either. Me? If a bully's too big — I'd have

grabbed the microphone as he walked away and clobbered him! It's a tough, dirty, murderous world out there. And if you can't handle it yourself, then get someone to do it for you, because — and remember *this!* — a broken leg hurts just as much if it's done by proxy!

...And as I later found out about Vance — I was right... he was only a military correspondent who spent most of his army “career” sitting behind a desk. A pencil pusher! Never saw action, nor was he ever even near it! Real soldiers are not bullies. For my money, I doubt neither one of them could fight his way out of a wet paper bag — even if they were already outside of it! The only thing Trump and Vance succeeded in doing was to disgrace the Presidential Office Of The United States. For shame.... P.S. — And that Greco-style wrestling Trump claims to have practiced in College? I don't call that wrestling. It looks more like two guys trying to hump each other.... Now, here are some photos of a *real* army family. — Mine!... (Photos appear at the end of this document.)

## **CANADA — BEWARE!!! — AND LISTEN UP!!**

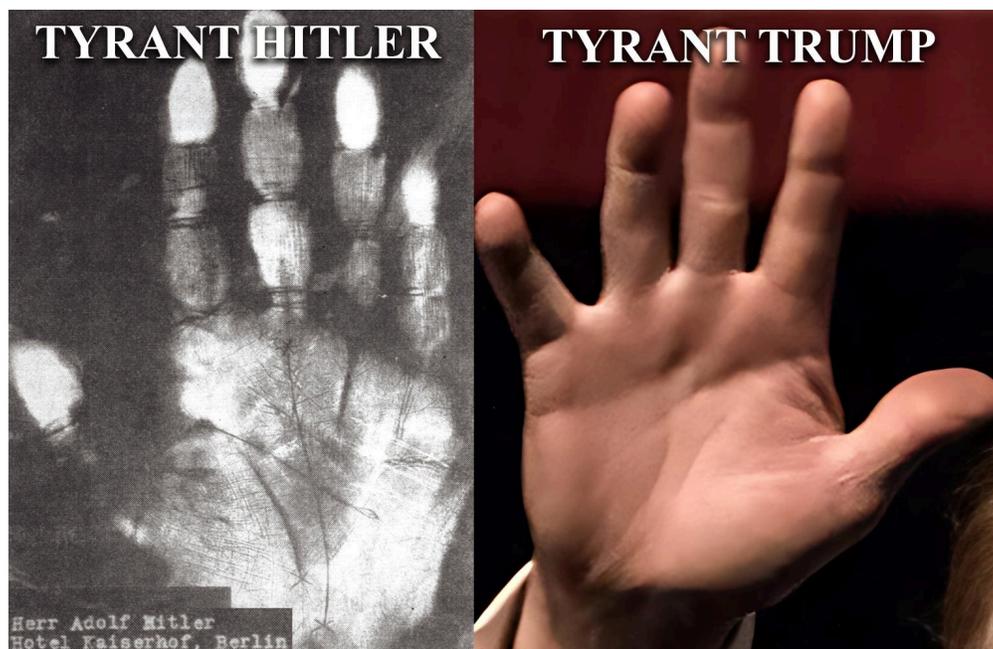

IT'S TIME TO BUILD OUR MILITARY FORCES TEN FOLD — AND TO THE NTH DEGREE!!!!

PRESIDENT EGO-MEGALOMANIACAL TYRANT, DONALD TRUMP WILL DO HIS HEGEMONIOUSLY BEST TO SUBDUE AND SUBSUME CANADA AS THE 51ST STATE — AS WELL AS THE REST OF THE WORLD!! MR. PRESIDENT, YOU HAVE OFTEN SAID TO OTHER WORLD LEADERS THAT “**MY RED BUTTON** IS BIGGER THAN YOUR **RED BUTTON**.” THAT'S TRUE. BUT WITH OUR *CLOSE* PROXIMITY TO YOU, WE CAN INFLICT AS *MUCH DAMAGE TO YOU* WITH OUR “**SMALLER RED BUTTON**” AS YOU CAN DO WITH YOURS! — AND DON'T FORGET WHAT HAPPENED IN 1814! ...REMEMBER MR. PRESIDENT, NO ONE LIKES A BULLY!!

(P.S. — Trump is the *only* man in the world I know who can pat himself on the back with both hands — *simultaneously!* I'll bet his only regret in life is that he is *not* an octopus.)

Listen up Canada, Alberta Province's Premier Danielle Smith, seems dead-set on submitting a referendum to its people to vote on whether or not to remain in Canada! And we all know what that means if they succeed in seceding: the beginning of the end of our Great Country! Smith can double-talk all she wants, but she's got the hots for Trump. And once he gets a foothold here — that's it! This Premier reminds me of a whore who will *always* follow the MONEY!

Besides, my Mind's Eye eventually sees *no borders* anywhere— at all! From the very tip of South America (“Cape of Storms”) to the northernmost point of North America. — B-r-r-r-r!

This *is* the *only* existing photograph of Herr Hitler's hand, taken by WWI Veteran and palmist, Josef Renald, at the Hotel Kaiserhof in 1933. It was bequeathed to me way back in 1960 by my late mentor and good friend, palmist and WWII Veteran, Norman Johnstone, who was a good friend of Renald, himself a WWI veteran. Johnstone appeared on National TV with the late Kreskin, often displaying his autographed Renald

Palmistry book, which eventually ended up in my hands (pun intended). It is evident that Hitler's perverted genius was due in part to a misdirected libido. Personalities such as power hungry Trump and Nazi leader Adolph Hitler do seem to go "hand in hand" (pun intended).

Hitler's mitt is of the somewhat — but still practical — creative Elementary type, that is to say long-ish, round-tipped fingers atop a square palm. Note the very low-set — but long — Mercury or baby finger, signposting lecturing and writing skills — but also problems in relationships (to say the least); then look at the high set Jupiter (or first finger and high Mount beneath it) denoting a domineering — even tyrannical — personality. His hand is the slightly heavier and thicker of the two despots, indicating materialistic ambitions beyond the pale, while President Trump's, although still very materialistic, to say the least, is more delicately constructed, with a slightly sloping Headline, indicating a lustful and romantic creative psyche. Therefore, his burning ambition *is driven by* that romantic ideology — and *his* notion of what is right and wrong. But make no mistake: both are fanatics! By the way, Hitler's is more the Air-hand type square palm, long fingers — while Trump's is of the Fire-type (short fingers atop a spatulate palm), manifesting much physical energy — and quick-witted thinking. Also note how Trump's baby finger is standoff-ish from the other four, signposting arrogance and a burning desire for attention, like a little kid....

In summing up: The shape of their thumbs: — Hitler, with a strong, well-developed thumb whose tip is wider at its base, won't tolerate opposition. And ditto for Trump's!

Their palms: — Hitler's thick, square palm and average-length fingers indicate slower, stubborn thinking processes, while Trump's is slightly more delicate, with shorter fingers, telling of a particular sensitivity, lightning quickness of thought and ideas, and nervousness. (As well he should be — very, *very* nervous — especially concerning Elon Musk!!)

Their combined fingers: Both men's pinkies are longer and straighter than average with long, rounded — verging on pointed — finger tips, indicating great persuasiveness in speech-making. Also, both men have pointed Jupiter fingers (first finger), sign-posting a consuming desire to *rule!* And both tyrants have long Jupiter fingers — longer than the

third finger — indicating supreme self-confidence (even when it's not warranted). Yet both sets of hands speak of raging insecurities (paradoxical, yet true!).

Their slightly slanting, but mainly straight across Headlines (The palm's horizontal middle line): Hitler's indicates the Will to lead — and *did lead* through sheer brute force! But so does Trump's! Their Lifelines — the line curving 'round the Mount of Venus at the base of the thumb — promises robust health *for as long as they live*.

**\* IMPORTANT TO NOTE:** The Lifeline indicates whether one will be healthy and strong, or weak and sickly, BUT ONLY FOR AS LONG AS ONE LIVES! (\*Note that Hitler's Lifeline ends at about his early to mid 50s.) But it *does not* necessarily indicate the "length of years of existence" on this planet, in and of itself. Other palmistic signs and symbols *must be factored in, as well*, in order to confirm the number of years. I have a strong vision of a shroud covering a *body*, with only a small lock of orange-y white hair sticking out.
